CHECKLIST

# Sofa Fit Checklist: Measure Before You Move

- [ ] Measure the clear width and height of every doorway along the route
- [ ] Measure the sofa's height, width, depth and diagonal depth
- [ ] Identify alternative entry points such as windows or patio doors
- [ ] Add a margin for manoeuvre when comparing measurements
- [ ] Clear the path of obstacles and protect floors with blankets or cardboard
- [ ] Wrap arms and edges in moving blankets to shield upholstery
- [ ] Write measurements down and carry them when shopping
