CHECKLIST

Natural fibre rug care checklist

- [ ] Vacuum both sides weekly with the beater bar off
- [ ] Blot spills immediately with a dry cloth
- [ ] Brush firmly along the weave to lift embedded dirt
- [ ] Sprinkle bicarbonate of soda on oily marks and leave overnight
- [ ] Use dry-cleaning powder every few months to refresh the surface
- [ ] Rotate the rug each season to even out wear
- [ ] Keep natural fibre rugs out of high-moisture rooms
- [ ] Take stubborn stains to a professional rug cleaner experienced with natural fibres
