CHECKLIST

Making a Modern Room Feel Warmer: Your Action Checklist

- [ ] Replace overhead bulbs with warm white equivalents
- [ ] Add one chunky textured throw or deep-pile rug in a warm neutral
- [ ] Position a table lamp where you sit and use it instead of ceiling light
- [ ] Introduce one wooden piece—a table, frame or tray—near a hard surface
- [ ] Group textiles in different textures together rather than spacing them evenly
- [ ] Swap one cool-toned accessory for a warmer material in the same spot
- [ ] Layer textiles where you will touch or see them up close
- [ ] Choose unfinished or matte natural materials over polished ones
